Hello Kimmie,

Shari Kiser, Lions President, recently spoke with you regarding putting up a 'Yachats Lions Thrift Store' sign on the reader board in front of the Commons. I am making a formal request to the City to hang a sign advertising the Thrift Store . The Thrift Store has been a long time fixture in Yachats and allows the Lions to give back over $20,000 per year to the community. Once it is approved, please send us the dimensions/requirement of the sign and we will have it made and hang it.

Regards,
Peggy Yorks
