Governing Body
Yachats Urban Renewal District
441 Highway 101 North
Yachats, Oregon 97498

Dear Governing Body:

We are pleased to confirm our understanding of the services we are providing for the Yachats Urban Renewal District for the fiscal year ending June 30, 2021. We will audit the financial statements of the Yachats Urban Renewal District as of and for the fiscal year ending June 30, 2021. We will also audit the Yachats Urban Renewal District's compliance with Minimum Standards of Oregon Municipal Corporations prescribed by the Oregon Secretary of State for that year.

Accounting standards generally accepted in the United States of America call for certain required supplementary information (RSI) to accompany the basic financial statements. The Governmental Accounting Standards Board also considers this information a necessary part of financial reporting as it provides perspective to the basic financial statements. Therefore, as part of this engagement, we will apply limited procedures to the Yachats Urban Renewal District's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS) and Minimum Standards of Oregon Municipal Corporations prescribed by the Oregon Secretary of State. These limited procedures will primarily consist of inquiries of management regarding their methods of measurement and presentation. However, we will not express an opinion or provide any assurance on this RSI as our limited procedures do not provide us with sufficient evidence to do so under our professional standards. Consequently, the financial statements we present to you will include the following required RSI that will not be audited and, as such, our report will disclaim an opinion on this RSI:

- Management's Discussion and Analysis
- Modified Cash Basis Statement of Revenues, Expenditures, and Changes in Fund Balance – Budget and Actual

We also understand that supplementary information other than RSI may accompany the Yachats Urban Renewal District's basic financial statements. In accordance with GAAS, we will apply auditing procedures and other additional procedures deemed necessary to any supplementary information accompanying the basic financial statements in order to provide an opinion on this information in relation to the financial statements as a whole.

Objective

The objective of our audit is the expression of an opinion about whether your financial statements are fairly presented, in all material respects, in conformity with generally accepted accounting principles and to report on the fairness of any additional supplementary information referred to above when considered in relation to the financial statements taken as a whole.

Our audit will be conducted in accordance with GAAS. Our professional standards as defined by GAAS

require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement and are fairly presented in all material respects, and in conformity with accounting principles generally accepted in the United States of America. As such, our audit will involve performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and will include tests of the accounting records of the Yachats Urban Renewal District and other procedures we consider necessary. The procedures we determine necessary will depend on our "auditor's" judgment and will be based, in part, on our assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. If our opinion is other than unqualified, we will fully discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or form an opinion, we may disclaim an opinion or not issue a report.

Audit Procedures

Our audit will involve performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and will include tests of the accounting records of the Yachats Urban Renewal District and other procedures we consider necessary. The procedures we determine necessary will depend on our "auditor's" judgment and will be based, in part, on our assessment of the risks of material misstatement of the financial statements, whether from errors, fraudulent financial reporting, misappropriations of assets, or violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. An audit also includes evaluating the appropriateness of accounting policies used, and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. If we deem it appropriate, our procedures will also include tests of documentary evidence supporting the transactions recorded in the accounts, may include tests of the physical existence of inventories, and will include direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, creditors, and financial institutions. As part of our audit process, we will request written representations from your attorneys, and they may bill you for responding. At the conclusion of our audit, we will also request certain written representations from you about the financial statements and related matters. These representations will include acknowledging our assistance with the preparation of your financial statements, the supplementary information, and notes accompanying these documents, and that you have reviewed and approved these documents, approved their release, and that you have accepted responsibility for them.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk exists that some material misstatements may not be detected by our firm, even though our audit is properly planned and performed in accordance with GAAS and Government Auditing Standards. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements.

However, we will inform you of any material errors that come to our attention, and we will inform you, or the appropriate level of management, of any fraudulent financial reporting or misappropriation of assets that comes to our attention. We will also inform you of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential.

In making our risk assessments, we will consider internal controls relevant to the preparation and fair presentation of the Yachats Urban Renewal District financial statements in order to design audit procedures that are appropriate in the circumstances. However, our audit procedures are not designed for the purpose of expressing an opinion on the effectiveness of your internal control.

In accordance with our professional standards, we will communicate in writing to the appropriate level of management and those charged with governance matters concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we identify during the audit.

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will also perform tests of the Yachats Urban Renewal District's compliance with applicable laws and regulations and the provisions of contracts and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance, and we will not express such an opinion. Management maintains the responsibility for identifying and ensuring that the Yachats Urban Renewal District complies with applicable laws, regulations, contracts, and other agreements.

Our responsibility as auditors is, of course, limited to the period covered by our audit and does not extend to any other periods.

We will prepare the financial statements of the Yachats Urban Renewal District in conformity with U.S. generally accepted accounting principles based on information provided by you.

Teresa Hanford is the engagement partner for the audit services specified in this letter. Her responsibilities include supervising Hanford & Associates, LLC's services performed as part of this engagement and signing or authorizing another qualified firm representative to sign the audit report.

Other management responsibilities include maintaining adequate records, selecting and applying accounting principles, and safeguarding assets.

By your signature below, you also acknowledge that the management of the Yachats Urban Renewal District is responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements, and all accompanying information, that are free

In addition, management is also responsible for having appropriate programs and controls in place to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the organization that involves management, employees who have significant roles in internal control, regulators, and others where fraud could have a material impact on the financial statements. In addition, you are responsible for identifying and ensuring that the Yachats Urban Renewal District complies with applicable laws and regulations and for taking timely and appropriate actions to remedy any fraud, illegal acts, or violations of contracts and agreements. You agree that you will confirm your understanding of your responsibilities as defined in this letter to us in your representation letter.

Management is also responsible for the preparation and fair presentation of the supplementary information in conformity with accounting principles generally accepted in the United States of America. You agree that you will confirm your understanding of your responsibilities with respect to the supplementary information in your representation letter. You further agree to include our report on the supplementary information in any document that contains and indicates that we have reported on such supplementary information.

Management's responsibilities also include designating qualified individuals with the skill, knowledge, and experience to be responsible and accountable for overseeing financial statement preparation, tax services, and any other non-attest services we perform as part of this engagement, as well as evaluating the adequacy and results of those services and accepting responsibility for them.

You further acknowledge and understand that management is responsible for providing us with access to all information management is aware of that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters; for the accuracy and completeness of the information that is provided to us; and for informing us of events occurring or facts discovered subsequent to the date of the financial statements that may affect the financial statements. This responsibility also includes providing us with any additional information that we may request from management for the purpose of the audit; as well as allowing us unrestricted access to individuals within the organization from whom we may determine it necessary to obtain audit evidence, including access to your designated employees who will type all confirmations we request.

We expect to issue a written report upon completion of our audit of the Yachats Urban Renewal District's financial statements. Our report will be addressed to the Board of the Yachats Urban Renewal District. We cannot provide assurance that an unmodified opinion will be expressed on the financial statements. Circumstances may arise in which it is necessary for us to modify our opinion, add emphasis-of-matter or other-matter paragraphs, decline to express an opinion or withdraw from the engagement.

Our fee for these services will be \$1,750 for the audit of the fiscal year ending June 30, 2021 financial statements and compliance to Minimum Standards of Oregon Municipal Corporations prescribed by the Oregon Secretary of State.

Our invoices for these fees will be rendered each month as work progresses and are payable upon presentation. In accordance with our firm's policies, work may be suspended if your account becomes 60 days or more overdue and may not be resumed until your account is paid in full. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before incurring additional costs.

Should any litigation or adverse action (such as audits by outside organizations and/or threatened litigation, etc.), by third parties arise against the Yachats Urban Renewal District or its officers subsequent to this engagement, which results in the subpoena of documents from Hanford & Associates, LLC and/or requires additional assistance from us to provide information, depositions or testimony, the Yachats Urban Renewal District hereby agrees to compensate Hanford & Associates, LLC at our standard hourly rates for additional time charges and other costs (copies, travel, etc.), and to indemnify us for any attorney's fees to represent Hanford & Associates, LLC.
