

We the Property Owners and Residents of West 2nd Street in Yachats are exhausted with the speeding and amount of Traffic on our once quiet street.

Since the change of Ocean View Drive funneling traffic one way south from 7th St. the amount of traffic dumped onto our residential street has exploded!

We had the State Park give us the traffic count last year and it showed that there was an increase of 56,000 cars for that year!

Can you imagine that going by your home?

For years we have asked for speed bumps at the very least to slow the speeding traffic. We would also like a study as to a possible

alternative entrance sign to the State Park besides the one on

Highway 101 directing traffic onto West 2nd through the chaotic and dangerous intersection of Highway 101, West 2nd Street and Beach Street. What a

complicated mess that is, and it is just a matter of time until someone gets hurt or killed there!

We look forward to a solution!

Aubrey Layne Corner	420/440/446 W. 2 ND ST

We thank you and
Council for helping us
resolve our traffic issues
on West 2ND Street. We
appreciate any efforts.

The Residents of W 2ND
