Loren, Lance, and Katherine –

We've selected a consultant for parking work in Yachats – Brian Davis of StudioDavis, formerly of Lancaster/Mobley. Brian has done parking work in Cannon Beach in Newport, and presented at the Oregon Main Streets Conference in 2019.

We're working through negotiations on budget and a lot of paperwork, and hope to launch the project in late spring, allowing for some summer visits to see the situation during peak parking challenges.

I've CC'ed Aimee Oketie-Oyekan, our new TGM planner, who may be involved in the project, and Hui, our regional representative you may know.

Happy new year!

Warm regards,

Evan
