

Downtown Yachats Parking Planning Project

Agenda & Questionnaire

6:00 - 6:15 Informal discussions as people arrive, hand out questionnaires, encourages comment on maps

6:15 - 6:45 Presentation on project goals, parking management techniques, work to date, issues identified

6:45 - 7:15 Q & A

7:15 - 8:00 Discussion, collect questionnaires, encourage more feedback

Please share your thoughts and experiences regarding parking in downtown Yachats. Below are some questions to shape the discussion. Feel free to fill this out and bring to the public workshop on July 18th, or email your responses to brian@studiodavispx.com. There will also be plenty of opportunity for discussion and feedback at the workshop.

Are you a resident? Employee? Visitor? When and how often do you come downtown?

What is your experience with the current state of parking downtown?

Identify the location and timing of current parking challenges.

Describe any past attempts to address parking challenges.

Describe the role downtown should play in the future of the community.

What types of land uses should be encouraged in downtown?

Any suggestions to solve parking issues?
