Subject: Resignation from Yachats Emergency Preparedness Committee

Alex/Linn,

Please accept my resignation from the Yachats Emergency Preparedness Committee effective immediately. While I believe strongly in the importance of this committee, like previous members, I no longer feel like I am an effective member. As a fulltime working, single mom, my limited time is very valuable to me and I need to invest it in ways that I feel truly make a positive difference and that do not add additional stress.

As someone whose job involves emergency preparedness and associated education activities, I am certainly willing to continue to provide resources and connections to OSU researchers and other experts in the field of Emergency Preparedness as needed. And as a resident of Yachats, I will certainly be following your efforts to increase preparedness within our community, which I truly believe should be a top priority for the city. Please don't hesitate to reach out to me if I can be of service in the future.

Tracy
