1 the west side of the building and the parking for the units on the ground floor. The
2 vote was called:

3 Aye: Davies, Sakamoto, Dickinson Bloch and Theilacker

4 Nay: Danos -Did not believe the city will be getting the kind of housing it needs
5 and believes the loss of the commercial space should have taken precedence.

6 Commercial space is needed in Yachats badly. Also, felt uncomfortable voting for
7 this project once again without new drawings or site plans.
