## Mayor's Message

By Mayor Gerald Stanley [Gerald@yachatsmail.org](mailto:Gerald@yachatsmail.org)

This month's Mayor's Message will be a bit unusual. I am writing it on September 13, the day before I leave town for a twelve day trip to see my Brother in Vancouver BC and some close friends in the Seattle-Tacoma area. This is my first trip away since my eight-month dealing with illness in its various manifestations. I am feeling quite well and looking forward to increased energy and strength, hoping all the illness issues are in the past.

September and October are my favorite months of the year. As we all know, it's our time for sunshine without the cold north wind, before the coming of the rainy season with its more powerful (but actually warmer) southern wind. Were it not for the fact that I have not seen my Brother for over a year, I would not be leaving our beautiful home at this beautiful time. But I'll be staying in the gorgeous northwest part of the world, enjoying the same great weather as all of you.

Speaking of leaving our beautiful town, I want to wish our former Mayor, Ron Brean, and his wife, Lauralee Svensgaard, many blessings and much happiness as they make their move to their new home in the Medford/Ashland area. Their love for horses and the joy these beautiful animals are giving to their lives have led them to a place where they can more fully care for, ride, and share nature with these magnificent beasts. Ron and Lauralee leave Yachats greatly enriched with their contribution to the political, conservation, and artistic parts of our town, as well as with their gift of friendship to so many. Bon Voyage!

Let me take a moment to thank all those who have

shown their commitment to Yachats by running for public office, and those who have recently volunteered for service on our several Yachats commissions and committees. Your number is significant evidence of the vibrancy of our village. As I see the days of my Mayorship lessen, a bit of nostalgia is setting in. Remember I always enjoy coffee and conversation at my weekly morning meetings at our various restaurants. I look forward to seeing you there. So I hope the second half of September has been good for you, and I know that I will be happy to return toward the end of this month.

## **Public Works**

541-547-3565

“Smoke testing” will continue in October. This is an ongoing process of identifying Infiltration and Inflow (I&I) of ground water and surface water into the sewer collection system. In some areas, The Public Works Crew will blow non-toxic smoke into sewer line to see where it comes out.

If the “smoke” comes out the building roof vents, that tells us all is well at that particular location. If the “smoke” comes out of a down spout, then we know roof drains are illegally connected to the sanitary system and must be removed. If the smoke appears to find its way up through the ground, then we know there are cracks or breaks in sewer laterals or sewer mains and must be repaired.

Prior to doing this work we will notify neighborhoods that will be affected. We will also notify property owners of any problems that need to be addressed.

## **Committee & Commission Openings** ***Now Taking Applications!***

The terms for up to two positions on each Commission and Committee expire at the end of December. Commissions and Committees will be recommending new appointees to the Council at their November meetings. If you are interested in serving on a Commission or Committee, please contact the Commission or Committee Chair or email Shannon at [Shannon@yachatsmail.org](mailto:Shannon@yachatsmail.org).

If you have any questions please call us at 541-547-3385 or 541-547-3565.

## **Water Restrictions Still in Effect**

Despite recent rains, the City is still under Phase 1 Water Restrictions.

For more information about the emergency regulations please see the Yachats Municipal Code, Chapter 8.22

## **Phase 1 Requirements**

1. The watering of lawns, gardens and landscaping is restricted to alternative days. Specifically, houses with an address number ending in even numbers (0-2-4-6-8) shall water lawns only on even numbered calendar days. Houses with an address number ending in odd numbers (1-3-5-7-9), or fractional addresses, shall water only on odd numbered calendar days. All watering of lawns, gardens and landscaping shall be prohibited between the hours of 10:00 am and 7:00 pm of each day.
2. All sales of water to persons who are not customers of the water system are prohibited.
3. No water shall be used by the Yachats Rural Fire District for drills, fire hose testing, hydrant flushing or truck washing.
4. The operation of an ornamental fountain, unless it is equipped with a recirculation system, is prohibited.

## **Burn Ban and Outdoor Fire Permits**

By Fire Chief Frankie Petrick, 541-547-3266

The burn ban on charcoal barbecue grills has been lifted. However, a ban remains in effect for burning wood in the Yachats area. The State has issued a closure of all open fire on

beaches. **Lincoln County has a temporary ban on open flame pits and the outdoor burning of all wood.**

The Yachats Fire Department reminds that permits are required for using back yard fire pits and cooking over an open flame (when ban is not in effect). It is very important that Yachats Fire has an up to date list of permits so we can monitor proper clearances and be able to notify permit holders of closures. There is no charge for the permits and they can be renewed over the phone by calling 541-547-3266.

### **Yachats Food Pantry**

Open M,W,F 11a-1p  
Pam Luderitz, 541-547-4599

The food pantry has been busy during the summer months. In addition to hungry transients, many of our local families have taken advantage of the pantry. All this is possible with your generous donations.

A special thanks to the great musical duo, Creight and Dave, who donate their tips to the food pantry. They have been more than generous for a long time. A special thanks to Just Local, who donates dollars monthly, and to the people who have shared the abundance of their gardens. Please thank these people when you see them. We can always use more volunteers to be hosts at the pantry. It is very easy. You just greet the clients and ask them how many they are feeding and if they are Waldport, Yachats, or transient. Two hours a month of your time will be greatly appreciated.

We accept food donations Monday, Wednesday and Friday (except holidays) from 11:00 am to 1:00 pm. Please do not bring opened containers or canned food over a year old. Thank you again for all that have helped their neighbors and friends. Our main and only goal of the pantry is that no one should go hungry. If you would like to volunteer please call Pam at 541-547-4599.

### **Yachats Trails**

The adage that many hands make light work was proved yet again during our most recent YIPS! (Yachats Invasive Plants Subcommittee) work session. In 2015, the area on the eastern side of the wetlands park behind the Commons was rampant with blackberry and other invasive marauders. After removing all we could by hand, the area was tilled so we could remove all roots.

We put down weed cloth and covered the area with mulch. After leaving this in place for a couple of growing seasons, we are now clearing this space out and preparing for planting. Thank you to the many cheerful and enthusiastic volunteers who turned out for the morning, with special thanks to Will Williams for his thorough and professional tractor work both at the beginning of the project and again as the transformation continues.

As to trail news, Rainshadow Running will again be holding their Oregon Coast 50K and 30K races along area trails on October 13 and 14. This event brings many visitors to town during this normally slower shoulder season. Needless to say, with hundreds of entrants running over two days time, the trails can take a beating. We've been fortunate over time to have the event organizers evaluate and work with us to repair any damage the runners create and look forward to cheering these amazing athletes on again this year. More information is available at [www.rainshadowrunning.com](http://www.rainshadowrunning.com).

### Mark Your Calendar

The Yachats Trails Crew meets on the first Saturday of each month, and the Yachats Invasive Plants

Subcommittee (YIPS!) Crew meets on the third Saturday, both from 10:00 am - 12:00 pm. There are always a wide variety of tasks for all levels of interest and ability so come join in the fun. We guarantee a warm and appreciative welcome and, if you are so inclined, a friendly social get-together at the Drift Inn to celebrate our accomplishments

at the end. Watch the Trails Committee's website for the locations each month or contact the leaders listed below.

## Little Log Church & Museum

328 W 3<sup>rd</sup> St 541-547-3976  
12pm-3pm every day except  
Closed on Thursdays

By Mary Crook

On October 4<sup>th</sup>, churches around the world observe the feast day of Saint Francis of Assisi, the patron saint of animals. Each year on the Sunday closest to the feast day, the Little Log Church holds its annual **Blessing of the Animals** in its own Garden of St. Francis, beside a fine statue created from western red cedar by local sculptor Brian McEneny.

You are cordially invited to attend the annual event honoring our animal friends on Sunday, October 7 at 3:00 pm. All animals are welcome if they are leashed, in carriers, or otherwise contained. All creatures great and small will be blessed, just as they are a blessing. This is a non-denominational service. No "dogma" will be discussed. Local violinist Ruth Mock will provide music for the occasion.

## Arts Banner Extravaganza

The Friends of the Commons invites you to the second annual Banner Auction and Reception: an evening of art, music, food and friendship.

As summer comes to a close, you will soon notice that the 32 beautiful art banners which have been hanging in our town this season will be coming down. This

does not mean you have to say good-bye. On Saturday, October 13<sup>th</sup> from 5:00 to 7:00 pm, everyone will have the opportunity to see them again, hanging in the Commons. A close-up look is the best way to appreciate the creative talent of our local artists. These banners will be looking for permanent homes, so have your pens ready to make a bid for your favorite.

## Yachats Arts Guild

The Yachats Art Guild presents a 2-day Screen Printing Workshop on Learning the Basics of Screen Printing. The workshop is schedule for October 26-27 from 9:00 am to 1:00 pm in Room 8 of the Yachats Commons. The instructor is local artist Mike Guerriero.

The fee is \$90 and includes most of the supplies. Participants will be able to create a set of cards with envelopes. Please register by October 15.

The exhibit features 90 art quilters from the USA, Japan and France, each representing one of 30 Fairy Tales in a piece of fiber art. The result is 90 small quilts, hung vertically on panels for each Fairy Tale, so viewers can compare the work of one nation to the next.

The art quilts have been to Japan and France, and are now touring the US. A large number of the US

quilts have been made by fiber artists from the Pacific Northwest, including Yachats artist Ruth Bass.

The concept for the International Quilt Challenge was born in 2003, after Izumi Takamori, owner of The Pin Cushion, a quilting store in Tokyo, met Sue Cutsogeorge of Eugene during a quilters tour of Japan. Since then, Takamori and her quilting friends have challenged artists in various countries.

The quilts will be on display Saturday and Sunday, October 27-28, 2018, from 10:00 am to 4:00 pm in the Commons. Suggested donation of \$5.
