

CITY OF YACHATS

PUBLIC STREET EXCAVATION PERMIT APPLICATION **PERMIT FEE: \$100**

Pursuant to Yachats Municipal Code 7.06 *Street Excavation* an executed permit and a security deposit are required before any person undertakes excavation of street or utility right-of-way. The Code requires written permission and completion of this application. Execution of this permit form is the only type of written permission acceptable to the City to meet that requirement. Failure to complete the application form and secure approval in advance is a violation of City Code.
